7. Can I sign my child up after registrations have closed for a season?

A – There is no guarantee that you will be able to sign your child up after registrations have closed. Availability will be based on roster spots available on the sports teams. There will be a \$15 late fee assigned to any registrant who registers after the close of the registration season.

8. Can I get a refund if my child decides not to play a sport after they are registered?

A – The Palmer Township Athletic Association will provide a refund in terms of a credit towards a future sport. To obtain a credit, the registrant must let the coach know their intentions to withdrawal prior to the start of the 1st game. Once games have begun, there will be no credit issued for the current season for registrants. In a situation where a child will not be playing future sports, the refund must be approved by the sport commissioner.

9. Who can I contact with additional questions?

A – If you have additional questions, please email info@palmeraa.org and someone will respond with the appropriate answer. If you have a sport related question, please email the appropriate sports commissioner listed on our contact us tab of our website.
